1. LATEST DOWNLOAD - MORE SEANOTES MINI'S  
~~~~~

The second of our mini series is here! "SeaNotes Mini...With Music, What Can I Do? "

This Mini takes a song from our Character Education project and uses it as a stepping off point to a brand new curriculum written by Deb Scala - four pro-active activities of environmental subject material designed for lower elementary level ages.

You get the activities in a PDF document and one song as an MP3 music track for a packaged price of \$2.95 USD!

To see it, start from the link to the SeaNotes page or go directly to this link:

2. CURRENCY CONVERSION  
~~~~~

We regularly get hits from all over the world, and now it's easier for our global friends to understand our prices.

We have added a currency converter, from Dynamic Converter, to the site.

Want to know the price in EUROS? Click on "convert" next to the price, choose EURO and it will be displayed in that currency.

There are sixteen currencies including the US and we hope to add more in the future. All are accepted by PayPal.

3. LINK TO "ONE KISS" AT A-CAPPELLA.COM  
~~~~~

As mentioned in our last newsletter, A-cappella.com has picked up our SATB choral piece "One Kiss" and offers it in both download and printed sheet music!

Here are the links -

For download:

For printed sheet music:

If you are into a cappella singing, you really need to check this site. They offer sheet music as well as CD's from a cappella performers - some of whom are absolutely awesome!

4. TWO MORE YOU TUBE (Say THAT 3 times fast...)  
~~~~~

For guitar enthusiasts, here is a superb demonstration of flatpicking. Not only does this guy play well, but the video shows both hands working at the same time - in close up!

The child who performs on this next link is just too cute! To a music educators ear, this "barely a toddler" can also hold a tune and sing in rhythm, too. Listen to this "Hey Jude Baby"
