 1. NEW GUITAR PIECE - LITTLE THINGS MEAN A LOT  
 ~~~~~

After purchasing *Simple Gifts* from my site, Mike Wallace from the UK contacted me and asked that I do a solo arrangement of a song named *Little Things Mean A Lot*. He wanted it as a gift for his partner, Carol. I sent him the sheet music and a demo recording shortly after completing them.

I finally received permission and licensing from the copyright holders to publish the arrangement and sell it.

You can read Mike's comments, look over a page of the music, listen to the entire recording and purchase an instant download of the sheet music and Mp3 all from this link:

 2. VASTLY IMPROVED GEEKINESS  
 ~~~~~

If I wasn't a musician, I would be a computer geek.

That being said, I have found scripts for placing slideshows on the site. Now my catalogue is streamlined and pictures on my home page rotate.

I have also added two videos and several pictures that were sent in from homeschoolers, Matai and Brice, who are using our product:

*SeaNotes Mini... With Music, Etta Kit.*

To see the videos, go to the SeaNotes page, navigate to the Etta Kit slide and click the link on the lower right hand corner - or just go here:

I invite you to browse around the whole site. Feel free to send your feedback and insights.

By the time I'm 90, I should be REALLY GOOD at this!
