 1. NEW A CAPPELLA PIECE - ***Sweet and Low***  
 -----

I have (finally) completed writing and recording an A Cappella piece for 4 part women's voices (SSAA). You can see a sample of the music and listen to the piece IN FULL at this link:

<http://www.foxglovemusicpress.com/listeningpage.html>

***Sweet and Low*** is a poem written by Alfred Lord Tennyson to which I have added music. If you read his works, you will notice that his pieces tend to be rhythmic and thus lend themselves to musical form.

I sang all the parts, however, I am making an offer to any group of people who wish to work up this piece. Record it and I will feature it on my site with credits to the performers. If the recording is good enough quality, I will offer it for sale and pay you royalties.

This offer is extended to any other works available on this site, too!

The choral piece is available by instant download - \$2.95 for the package (sheet music and Mp3) or \$1.00 for the Mp3 only. It can be purchased at this link:

 3. ONE FREE HOUSE CONCERT REMAINING  
 -----

The Tabor Follies went extremely well and I want to congratulate Jean Embler and Dee Ernst for a very successful show and fund raiser. The acts were all superb and I appreciate being asked to participate.

As mentioned in my last newsletter, I am currently booking house concerts. I have one more FREE concert available! Check out my video of what a house concert looks like, along with a streaming Mp3 demo and booking information:

It's a great way to have family and friends get together! Put some snacks and drinks on the dining room table, clear a corner of your living room, turn the chairs around and VOILA! Your living room was made for music - I do the rest!
