Hello from Foxglove Music Press ! Here's the news:

1. LATEST DOWNLOAD IS FREE
2. PRINTING MUSIC PDF FILES
3. FUNNY
4. CLASSIFIEDS

~~~~~  
 1. LATEST DOWNLOAD IS FREE  
 ~~~~~

The site frequently gets hits for people looking for "free water is wide sheet music" so I thought I would put together an arrangement for that purpose! You will find an easy solo guitar arrangement on our guitar page. Click on "view music" to open the PDF file, then [FILE], [SAVE A COPY] to save it to your computer. From there you can print it.

Want to hear it first? Listen to the MP3 file which is posted in the same place. Here is where you can find it:

<http://www.foxglovemusicpress.com/quitarmusic.html>

For guitar enthusiasts who might want a little jazz-zing of this piece, check out the November 2007 issue of Acoustic Guitar magazine. There is a nice jazz arrangement by Ron Forbes-Roberts of "The Water Is Wide".

~~~~~  
 2. PRINTING MUSIC PDF FILES  
 ~~~~~

I recently went to print out one of our pieces of sheet music from the PDF file and got several blank pages. (Press the panic button! Have we been selling BLANK sheet music???)

When printing sheet music, you may get blank pages because music is printed to the PDF file as an "image" and Adobe Acrobat reader has to be "told" to print images.

I don't know whether this has always been the case and I accidentally disabled it (...and spent a Saturday afternoon trying to figure out how to fix it!?) or if it's a new feature of Acrobat version 8, but here's what worked for me:

Open the PDF file, go to [FILE] then [PRINT] then [ADVANCED] and make sure there is a check mark next to "print as image".

This applies to anything you may need to print that has pictures on the page, too.

~~~~~  
 3. FUNNY  
 ~~~~~

Thanks to Mary Sue for sending this video link!

The performer in this video is Anita Renfro, a comedienne who works a new twist with the "William Tell Overture". It is laugh-out-loud funny!

Enjoy:
